

Curriculum vitae

Arunjai Mittal

Mr. Mittal is member of the Supervisory Board since 2023. Current term of office until 2026.

Mr. Mittal has more than 30 years of experience in the electronics industry, beginning in engineering, sales and marketing and progressing into business development, operations and senior management positions. Currently serving in various Boards as Independent Director.

Born in Mumbai, after a brief stint at teaching polytechnic students electronics and working at a CAD/CAM hardware/software development company (subsidiary of Intergraph Corporation in India), he joined Siemens Ltd., India in 1992.

Since 1994, he has been engaged in the semiconductor industry. With postings in Singapore, Austria, and Germany, he gathered a wide range of experience in business development and management. Under his leadership, the power management activities at Infineon Technologies AG (spin-off Siemens AG in 1999) grew by five-fold, with sustained profitability, through the difficult years of the semiconductor industry after the year 2000. Up until 2011, he held various General Management positions within Infineon Technologies AG, in Germany and Austria. Initially in the Power management and Drives business unit and later as head of the Industry and Multimarket Division. Beginning in 2012, he was appointed to the Management Board of Infineon Technologies AG, where he was responsible as a Board member for Regions, Sales, Marketing, Strategy Development and Mergers & Acquisitions. He left Infineon in September of 2016.

Mr. Mittal holds a Bachelor's degree in electronics engineering from Walchand Institute of Technology, India, and has participated in Management Programs at INSEAD, the Harvard Business School and at the IMD, Lausanne.

Other SB mandates at publicly listed companies:

Chairman of the SB of TESA SE, Hamburg, Germany (Beiersdorf AG)
